

Intalnire cu firma BridgeIT

Studentii facultatii A.C.E. sunt invitati sa participe in data 15.01.2014, orele 16:00, in aula Constantin Belea la intalnirea cu firma BridgeIT(<http://www.bridgeit.dk/>) din Craiova.

In a world of ever changing demand, mobility can increase the efficiency of processes, the performance of employees and the overall competitive position. Enabling mobility is the new big thing.

How to get mobile is the next big question? How to ensure that a mobile solution is scalable, reuses existing components, easy to maintain, low risk and completely customized? This can be obtained by using **BridgeIT Mobile Platform (BMP)**.

The company is headquartered in Copenhagen (DK) and also has offices in Craiova(RO) and Princeton (US)
