PUBLICATION TITLE: Proceedings of ICSTC 2010 - 14th International Conference on System Theory and Control (Joint conference of SINTES14, SACCS10, SIMSIS14).

The undersigned, desiring to publish the above paper in a publication of the ANSO or cosponsored by the ANSO, hereby transfer their copyrights in the above paper to the Research Center on Nonlinear Automation - Stability and Oscillations (ANSO).

Returned Rights:

In return for these rights, the ANSO hereby grants to the above authors, and the employers for whom the work was performed, royalty-free permission to:

1. Retain all proprietary rights other than copyright, such as patent rights.
2. Refuse all or portions of the above paper in other works.
3. Reproduce, or have reproduced, the above paper for the author's personal use or for company use provided that (a) the source and ANSO copyright are indicated, (b) the copies are not used in a way that implies ANSO endorsement of a product or service of an employer, and (c) the copies per se are not offered for sale.
4. Make limited distribution of all or portions of the above paper prior to publication.

Copyright Holder Obligations:

In exercising its rights under copyright, the ANSO will make all reasonable efforts to act in the interests of the authors and employers as well as in its own interest. In particular, the ANSO requires that:

1. The consent of the first-named author be sought as a condition in granting republication permission to others.
2. The consent of the undersigned employer be obtained as a condition in granting permission to others to reuse all or portions of the paper for promotion or marketing purposes.

In the event the above paper is not accepted and published by the ANSO or is withdrawn by the author(s) before acceptance by the ANSO, this agreement becomes null and void.
